

PETITION

OF

A NUMBER OF CITIZENS OF DORSET, VERMONT,

PRAYING

That the treaty with the Cherokee Indians, providing for their removal, may not be enforced.

MAY 3, 1838.

Laid on the table, and ordered to be printed.

To the honorable the Senate of the United States:

Your petitioners, citizens of Dorset and vicinity, deeply sympathising with the Cherokee Indians in their present afflicted condition, as set forth in their late petition to Congress, and other public documents, and anxious to avert from our nation the judgments of Heaven, which will certainly be meted out to those who trample upon the weak and defenceless, do most earnestly and respectfully request your honorable body to regard favorably the condition of the Cherokees, and not enforce their removal against their will, if, as they maintain, the treaty requiring their removal never received their sanction.
